PARKS AND RECREATION FACILITIES MASTER PLAN

The City of Toronto is developing a 20-year plan to guide decision making and investment in parks and recreation facilities such as community centres, sport fields, pools, ice rinks, and bike/skate parks.

We want to hear from stakeholders that are engaged on issues of access, equity and diversity.

Join us for a focus group on parks and recreation facilities and help to shape the future of Toronto's active spaces and people places.

When: Tuesday March 22, 2016 from 1 p.m. – 3 p.m.

Where: North Toronto Memorial Community Centre
200 Eglinton Ave West M4R 1A7 (link to [location details](#))

Please RSVP by Friday March 18 by contacting Waheema Asghar at 416-392-2426 or by e-mail at facilitiesplan@toronto.ca

If you require attendant care services or other accommodation, please let us know.
